This complete and updated Landlord Survival Handbook of Rental Forms (11th edition) includes over 220 forms, which are listed in the table of contents following the introduction. With this Survival Handbook of Rental Forms you now have access to hundreds of rental forms that will help you take more control of every rental situation, plus add to your net income! This 2020 newest version of the Handbook of Forms has been revised, updated and expanded.

INTRODUCTION: This complete and updated Landlord Handbook of Rental Forms includes 220+ innovative, effective and unique rental forms to help you communicate effectively with residents and take greater control of your rental business. Just one of these many forms alone is worth having this complete Handbook available at your fingertips.

Personal note from Jeffrey Taylor (Founder@MrLandlord.com): "It's astonishing what will happen just by using the right forms with your rental residents. **You can gain greater control of every aspect of your rental management.** I have been compiling, modifying and updating rental forms, including ideas shared by other successful landlords, for over the last 35 years. I am convinced that the rental forms you use to communicate with your residents can help determine the level of your rental success! I will reveal through these forms some of the absolute most effective ways to communicate with your residents that will indeed put more money in your pocket, help you take more control of every rental situation, save you tons of frustration and keep your residents happy, cooperative and staying in your properties for years longer!"

DISCLAIMER: The intent of this handbook is to provide examples of various rental forms. When you need to communicate with rental residents during the entire leasing cycle (from the initial application process to the eventual move-out plus the management challenges along the way), you will have a multitude of examples you can pull from, review, modify and utilize. The forms herein are for educational purposes and they do not take in consideration specific state laws. The forms in this handbook serve as a supplement (not as a replacement) to rental forms such as leases and legal notices, which are written specifically for your state. In addition, these forms are not intended to substitute for, or replace, legal or other professional advice. Laws vary from state to state, so you will want to make sure that any forms you utilize with your residents conform to both local and state landlord-tenant laws. Since rental forms can have significant legal and costly consequences, before utilizing any forms, it is best to consult with a competent attorney licensed in your state and familiar with landlord-tenant laws.

When you are in need of state-specific rental forms (i.e., lease, move-in checklist, notice to pay or quit), we have partnered up with a top legal publishing firm to provide various "state-specific" rental forms drafted by attorneys. Go to LandlordRentalForms.com to review sample forms or download any desired state-specific forms. Best of success to you!!

SAMPLE OPEN HOUSE SCRIPT

(Greeting Prospective Renters or Future Home Buyers)

Hello. Welcome to our Open House!

(shake hands with a big smile) I'm _____, and what was your name?

(if others in party, kids too) And who's with you today?

Hi, nice to meet you, I'm _____.

So glad you could come. Let me just give you one of our flyers, it tells all about the home.

(pass out flyers)

A couple things I know you'll love about the home are (home feature #1), and (home feature #2).

Also the best thing of all is that we also offer this home through our Rent to Own Program, if you are interested in buying after renting. That means that if you qualify, then we will give you whatever help you need to own it.

Let's start by having you just fill out one of our Guest Registration Cards, and then you can look around and I (we) can answer any questions you might have.

(If you will be having a Prize Drawing) Of course I'll make sure to get your card into our prize drawing coming up at _____ o'clock.)

(Editor's Note: The reason for the Guest Registration Card is because one of your objectives is to get the name and contact information (especially email) for EVERYONE who comes to the open house. Even if they do not take the next step at this time and fill out a formal application, you have the contact information so you can follow-up with them regarding this house or any other house that becomes available in the future. Some landlords will send emails one, two and three days, later, etc., until the house is off the market. In addition, the person's name will be added to the landlord's prospect list. And until the prospect requests no additional contact, the landlord will and follow-up 3 months, 6 months, 1 year later or more when another house becomes available.)

MOST POPULAR UPGRADES TO OFFER ALL NEW RESIDENTS

Dear Future Resident:

Thank you for coming out to view our property. We are glad that you are considering renting this property as your new home. We want to make you aware the home or apartment you have come to see, while it offers many nice features, is our “standard home” rental package. With other homes and apartments we rent, many of the residents have liked that we also offer additional upgrades and extras as part of a “deluxe rental home” package.

From surveys with our current residents, we have determined what upgrades are liked the most. The following are the three to five most popular upgrades that we now make available for all new residents:

- ❖ _____
- ❖ _____
- ❖ _____
- ❖ _____
- ❖ _____

As you can see, we offer more than just a typical standard home. Our goal is to offer you more in your home than you can find anywhere else, and customize it to meet your particular needs and interest. We can include all three to five popular upgrades in your home for an additional \$_____per month. If that is more than you would like to spend, we can offer you a “customized rental” package with one or two favorite items of your choice for a lower price of about \$_____per month. Would that work for you? If so, which one or two items would you like included as part of a custom home package?

Sincerely,

Owner/Manager

UTILITY EXPENSES

To help you make an informed decision when selecting the next home that would be best for you and your family, we have provided the following UTILITY information. Below you will see approximate dollar amounts of how much previous residents have spent monthly toward utility expenses (This info is based on information provided by the residents or utility companies). Of course, the amount of utility bills may vary because each families usage may vary and utility companies may raise prices from what was charged in the past. We provide these approximate expense ranges because many other residents have found this type of information very helpful in selecting their residence and for budget planning. We want to offer you all the information you need to determine if our property will be your next home. Let us know if there is any other info we can provide, because we believe that once you've learned all you can about what we have to offer, you will want to rent our home. In fact, we offer a guarantee, see below.

Utility expenses the resident is responsible for, and approximate expenses of previous residents.

UTILITY	EXPENSE RANGE

COMMENT FROM PREVIOUS RESIDENT REGARDING A UTILITY EXPENSE:

If you move into our home, and after 25 days, you do not think you made the right home selection, we will let you move without having to stay the rest of the rental term, and we will return your full security deposit (assuming no property damage). How's that for a guarantee!

30 DAY GUARANTEE

Move into one of our rentals and we guarantee that if, for any reason, you are not satisfied and decide to move within the first 30 days after your lease begins, we will refund your security deposit (as long as there has been no damage).

We will tear up your lease and you will not be obligated to pay any more rent. We are confident, however, that your rental will meet your needs.

NON ACCEPTANCE CHECKLIST FOR NEW RESIDENTS

The following criteria may be used to help with screening applicants. Unlike the more comprehensive New Resident Checklist (where you see if applicants attains a certain score), using this checklist, if a applicant matches up with any ONE of the following criteria (unless there are other compensating factors) this criteria alone would be a reason for non-acceptance of his or her rental application.

- ☐ Applicant has been evicted____time from another property and still owes money to former landlord(s) and has not made satisfactory arrangements for payments.
- ☐ Applicant has been convicted of a violent felony, or a drug-related felony.
- ☐ Applicant provided income or rental history information on the application that could not be verified.
- ☐ Applicant provided information that was verified to be false and the correct information would not have qualified the applicant to be accepted.
- ☐ Applicant demonstrated an abusive or offensive behavior or language at any point in the application process toward owner, management, residents or any others.
- ☐ Applicant has had their current main source of income for less than_____months (this does not refer to employees transferring from out-of-town but working for same employer).

NEW PET CHECKLIST (To Help Identify Qualified Applicants With A Dog)

Point System. The applicant may meet your minimum criteria for renting a home. However, if you accept residents with a dog, use this checklist to determine if the “dog” qualifies. Give a score of one point for each of the following criteria. It is okay to designate any criteria to be worth more than one point, if you deem certain criteria more important than others as long as you are consistent in giving the same value to select criteria for all applicants. Add up the total points to see if the dog reaches your minimum acceptable score.

Note: If the dog does not qualify and the owner says that they will get rid of the dog so that they can still rent the home, that is NOT a good indicator of a responsible resident. **It should also be noted** that “service animals” are not legally considered as “pets” and are exempt from the following criteria.

CRITERIA: Point 1 point (or more) in front of each of the following criteria which the dog meets.

- _____ Applicant willing and able to pay additional \$_____ deposit.
- _____ Applicant willing and able to pay additional \$_____ monthly rent.
- Applicant will obtain renter’s insurance with liability coverage for the dog.
- _____ Dogs is at least 12 months of age or older.
- _____ Dog was given a satisfactory reference from previous landlord.
- _____ Applicant is able to provide a veterinary reference for their dog.
- _____ Dog has received veterinary care in the past 12 months.
- _____ Dog is NOT one of the following breeds, (fully or partially), Pit bull, Terriers, Rottweiler, German Shepherd, Husky-Alaskan malamute, Doberman Pincher, Chow Chow, Great Dane, Saint Bernard, Akita, Mastiff, or Wolf hybrids.
- _____ Applicant does not try to misrepresent the breed of the dog.
- _____ Applicant does not claim that dog will never go into the house.
- _____ Dogs is able to demonstrate during interview that it is well-behaved and has good manners.
- _____ Dog (or applicant) does not growl nor stare during the interview nor demonstrate any sign of aggressive behavior.
- _____ Dog (and applicant) appears clean and well groomed
- _____ Dog is wearing clothing made specifically for dogs.
- _____ Applicant is able to easily control the pet during the entire showing and application process.
- _____ Dog has no history of complaints from previous neighbors (regarding noise or behavior)
- _____ Dog has no history of attacks or biting of humans or other animals.
- _____ Applicant has proof that dog has had current rabies vaccination.
- _____ Applicant has proof that dog has been neutered.
- _____ Applicant does not allow dog to roam free at any time during the showing without a leash.

Dangerous Dog Breeds Banned by Many Insurance Companies

Here's a list of the 14 dog breeds that appear on many insurance company exclusion lists. Looking at various uninsurable dog lists, there is a reasonable amount of variability as to which breeds were to be allowed or disallowed. Still there were 14 breeds of dogs which appeared on virtually all of the lists. Most of these breeds blacklisted are not only the specific breed but any mixed breed that presumably included a genetic relationship to one of the banned breeds. These dogs may or may not be on your insurers blacklist because each one maintains its own list based on their own proprietary risk data. The 14 most often blacklisted dog breeds are as follows:

Pitt Bull Terriers

Staffordshire Terriers

Rottweilers

German Shepherds

Presa Canarios

Chows Chows

Doberman Pinschers

Akitas

Wolf-hybrids

Bull Mastiffs

Cane Corsos

Great Danes

Alaskan Malamutes

Siberian Huskies

So what does this mean for landlords? In order to protect their investment and ensure that their insurance coverage extends to cover any dog bite incidents, landlords must specifically ask their insurance agent about whether or not the company has a list of banned dog breeds.

Once the landlord determines if such a list exists, they can make the decision of whether to continue to be a customer of the company or shop around for a non-discriminatory insurance company, if they are offering pet-friendly properties. If the landlord decides they must stick with their current insurance company, he or she needs to make sure all applicants and tenants are not owners of any of the banned breeds of dogs.

The best way to do this is during the application process, and asking questions about pets. Many landlords have a short information sheet that lists the banned dog breed. They can hand out this paper during the application process or include it in the information packet for the rental property during an open house.

Banned dog breeds should also be listed by name in the lease agreement or as an addendum to the lease. If tenants move in without a dog and later acquire one that is on the banned dog breeds list, the landlord can consider this a violation of the lease agreement and there is grounds for a Comply or Quit Notice that could lead to eviction.

Pet-friendly rental properties are highly desirable and landlords that allow dogs, especially with no restrictions on breeds or sizes will usually have plenty of applicants when a unit is vacant. It may seem unfortunate that most of the time, dog attacks are a result of poor training and bad owners rather than the dogs themselves, but landlords must take everything into consideration regarding pets, and dogs in particular, to see what makes the most sense for their business.

Assistance Animal Application Process / Form

Procedures for requesting an Assistance Animal in our homes or apartments are outlined below:

A person requesting permission to keep an Assistance Animal must make a request. To do so, the person should submit this "Assistance Animal Request Form" as well as submit the following:

- Documentation of certification of the individual's disability or condition from a physician, psychiatrist, social worker, or other mental health professional.
- Documentation of the need for an Assistance Animal, which should include a statement on how the animal helps or serves as an accommodation for the verified disability, and/or how the need for the animal relates to the ability of the resident to use and enjoy the housing.
- Documentation should state that it is for a specific animal. If a resident chooses to request to keep a different Assistance Animal, they must submit new documentation for that animal.
- Rental management will review documentation and, if the documentation meets the criteria for approval, management shall arrange a meeting with the person (and animal) making the request. During the meeting, policies and rules will be reviewed with the person at that time and an addendum will be signed indicating that they understand and agree to the conditions of the policies.

PHONE QUESTIONS TO ASK FORMER LANDLORD(S)

One of your current or former residents has applied to rent a property that I manage. The resident has given me your name and permission to ask if you could please verify a few quick things regarding his rental with you. This would be a big help to him or her. May I?

1. Can you verify that if the resident is or was paying you \$_____ per month in rent?
Please note: Ask the former landlord to verify an amount that is actually different (by \$50 or \$100) than the amount stated by the applicant on the rental application. The purpose of this initial question is to see very quickly if you are dealing with a landlord who will be honest with you and who is not just trying to get rid of a resident. If the landlord does not correct you about the amount of rent paid, you know that you either have a land lord willing to lie to you or a friend just pretending to be the landlord. No need to ask further questions. Just simply say, "Thank you; you've been very helpful."
2. How many weeks advance notice has the resident given you that he or she is moving?
3. Is the resident currently up-to-date with his or her payments?
4. Has the resident been late once or more than once during the last 12 months?
5. Has the resident ever been late more than 30 days?
6. How many months/years did the resident reside in your property?
7. Is the resident vacating early, before the full term or end of his agreement?
8. Did you receive any complaints of any kind from neighbors regarding the resident?
9. How many people occupied the residence?
- 10).Were there any noise or complaints?
- 11).Were there any police calls at the residence that you were aware of?
- 12). How much notice to the resident give you that he or she was moving? Or did the residents give proper notice to vacate?
13. How many pets did the resident have on the premises? Had the animal(s) lived there with your permission?
14. Were there any complaints from the neighbors regarding pets or animals?
15. Have you had to give a notice to the resident for any reason during the last 12 months because of a rental violation? If so, what rental violation was the notice for?
16. Was the resident asked to move because of nonpayment or for breaking one of the lease terms? Or is he or she moving voluntarily?
17. Did or will you have to withhold any deposit to cover any unpaid rent or damages?
18. Did or will you have to repaint or clean the carpets after the resident vacates?

Thank you very much for your assistance.

Please note that these were all objective questions, wherein the answers could be easily documented. Do not put other landlords in a position where you are seeking subjective answers that cannot be easily documented or de fended (e.g., what kind of residents were they? Or was he or she a good resident?).

Co-Signer Agreement

This agreement is between _____,
resident(s), _____, owner or manager
and _____, cosigner.

This agreement is entered into on the following date _____, and forms part
of the rental agreement between resident and owner or manager listed above for the leased
premises at the following address _____.

The cosigner has completed a separate rental application for the purpose of
permitting the Owner or Manager to check the cosigners creditworthiness, including
running a credit report.

Though the cosigner has no intention of occupying the leased premises, which
would/wouldn't be a violation of the rental agreement; the cosigner agrees to be liable (if
residents do not pay in a timely manner) for any of the residents' financial obligations of the
rental agreement. Those obligations include, but are not limited to; unpaid rent, property
damage, cleaning and repair charges, and legal fees.

Though the owner or manager has no legal obligation to report to the cosigner any non
payment of financial obligation by the residents, both the resident and the cosigner
understand that the owner or manager reserves the right to send notices to the cosigner of
residents failure to meet any financial or lease obligations of the rental agreement. Prompt
payment by the cosigner who receives notice of pending legal action may help to avoid
additional legal or court costs.

If any legal proceedings arise out of the rental agreement, the prevailing party shall
recover reasonable attorney fees limited to _____, plus court costs and
reasonable fees necessary to collect a judgment. Hopefully with the assistance of the
cosigners, these added expenses will not be necessary.

SAMPLE LEASE AGREEMENT - PREFACE

Dear Colleague,

I'm glad to share the lease that I personally use with my small to large multi-unit properties and apartment communities. This lease is an "on-going" work in-progress that I update every 6 months from very costly lessons I learn through the school of hard knocks and from the recommendations of other rental property owners and professional managers. This updated lease and provisions contained within it has helped me to be more effective with my rental management and greatly reduces my management headaches. I encourage all rental owners to stay updated on rental laws in your state, join a local real estate association that educates and exposes you to management ideas from educators and professionals and to consider updating their lease annually, which is one of your absolute most valuable landlord tools.

Please note the following disclaimer: **This sample lease is provided for educational and comparison purposes only.** While I have had local counsel review the terms of this agreement, it is always best to have legal counsel review any rental clauses you consider adding or modifying to your lease. The lease I share is not to be used "as is" because various states have different laws related to how rental issues and violations should be addressed or corrected, some states even requiring specific wording and formatting. Also, take note that this lease is also used with my multi-units and therefore has some provisions pertaining specifically to multi-units and apartments. However, landlords of single family rentals will find 90% of the lease provisions will help them to effectively address issues of any type of rental property. This lease is copyrighted and for use with your personal rentals. **No part of this document may be reproduced or transmitted by any means, electronic, mechanical, photocopying, scanning or otherwise, without prior written permission of the author and publisher.** Contact information for author and publisher can be found editor@MrLandlord.com, Box 64442, VA. Beach, VA. 23467.

Here are the best ways to get the most from the lease provisions I share in my lease and three key questions to ask yourself as you review the lease and compare it to your current lease.

1) Are you addressing all the rental issues that you need to? Identify the rental concerns that are addressed in the sample lease provisions to see what issues you are NOT addressing! Then consider whether it is to your advantage to address those issues in your lease (BEFORE costly problems occur in those areas which lease provisions could have helped you avoid).

2) For each rental issue your lease does address, are your provisions as effective as they can be? Take a look at each of the rental issues addressed in your lease and then compare how the sample lease addresses those same concerns. Then consider if the sample provisions may be more effective in addressing those concerns.

3) Does your lease have any clauses which allows the resident to play a part in the decision making (lease creation) process? Review your current rental document to see if your lease is totally one-sided in favor of the rental owner. See if there are ANY provisions in your lease which purposely allow the resident to have choices in how the lease will be written (so that they can feel better benefits their needs. In today's rental environment, the more the resident feels they are playing a part in the leasing process the longer they will be content and go along with your program and policies and the longer they will stay. Why wouldn't they, if they after all played a part in establishing how the rental relationship will go. More and more residents are choosing to rent from rental owners who cater to and show consideration for the needs of the rental residents. Therefore, consider adding lease provisions which offer them choices and addresses their needs and rental preferences. . Regarding the last point which I consider vital to my success: While some landlords try to make their lease a document that fully protects their interest, I believe that your agreement between rental owners and residents should have provisions that benefit BOTH parties. The resident should be able to perceive that there are benefits in the lease for them. For me, this means including unique provisions, like ones which inform residents that they are rewarded for length of tenancy and for referring others. I also go as far as allowing my residents to play an active role in helping to craft a few of the provisions in the rental document.

For example, residents can offer their input and preferences on issues regarding such matters as: rental due dates, rent payment method, security deposit amount, property upgrades, length of rental term, and how the relationship may be terminated. All of this is just some of the ways I work to develop and maintain a win-win relationship with my residents, which I think is vital to your long-term success. As you review the agreement, please feel free to consider utilizing the provisions that you may find helpful to your rental concerns and resident relationships, and again consult with counsel for those provisions that you may believe are beneficial to you and your rentals.

The best of rental success to you! And may God help you make most of the assets He has given you!

Jeffrey Taylor,
Founder@mrlandlord.com

P.S. I welcome your comments on this sample lease. I would appreciate it if you took a moment to give me your feedback or suggestion for any additional clause that was not included in this document, but one that you used and have found to be beneficial to you and/or your residents. A great resource, when you want additional rental forms or notices of any kind (i.e., Move-in/Out Inspection, Pay or Quit, Lease Termination, Rent Increase) that are STATE-SPECIFIC, you can preview and request such forms for your state at the following website – www.LandlordRentalForms.com.

P.P.S. For owners, landlords, agents, and managers of rental property built before 1978, in association with your lease, federal law requires you to provide certain important information about lead paint before a prospective renter becomes obligated to rent from you. Landlords must give prospective tenants of buildings built before 1978 the following: (Note: sample of the pamphlet and disclosure can be found at <http://www2.epa.gov/lead/real-estate-disclosure>

- An EPA-approved information pamphlet titled: Protect Your Family From Lead In Your Home.
- Any known information concerning lead-based paint or lead-based paint hazards pertaining to the building. For multi-unit buildings this requirement includes records and reports concerning common areas and other units when such information was obtained as a result of a building-wide evaluation.
- A lead disclosure attachment to the lease, or language inserted in the lease, that includes a "Lead Warning Statement" and confirms that you have complied with all notification requirements.

- 1) **THREE STAR RESIDENT** – Welcome as one of our new 3-Star Residents and we look forward to serving you for at least the next 3 years. We reward long-term residents by giving them the designation of “**3-Star Residents**” and give them a choice of anniversary gifts, each anniversary date, for those who continue to stay with us.
- 2) **LEASE OF PREMISES** – Management leases Premises to Resident on the following terms for use only as a private dwelling unit and for occupancy by no other than those signing the lease and _____.
- 3) **TERM** – The Term shall start on the Beginning Date and end on the Anniversary Date. The term of this lease shall AUTOMATICALLY RENEW for additional periods of one year each. Either party may avoid renewal by giving the other party written notice of non-renewal prior to the expiration of the current term by at least 60 days in advance of the anniversary date. Management may change any of the terms of this Lease effective as of any anniversary date by giving Resident written notice of the new terms at least 60 days before an anniversary date. If Resident fails to terminate Lease prior to end of a term, Resident agrees to accept all new or changed terms.
- 4) **MOVE-IN COST** – Some Residents ask if we can work with them regarding the amount of deposit required to move-in. **We offer residents 2 options. Option A:** Resident pays standard move-in amount, which is 1st month's rent plus the full required deposit. **Option B:** Resident agrees to pay 5% higher monthly rent (which may be pro-rated for 1st or 2nd month) but only HALF the required deposit due to move-in. For example; if standard move-in cost is normally \$_____ for 1st month's rent and deposit is \$_____, total of \$_____ due. Option B gives resident the option of agreeing to pay \$_____ (5% higher) as the monthly rent but deposit required to move-in would only be \$_____ (Half normal amount). Total due is only \$_____. **Which move-in option do you prefer A or B?**
- 5) **RENT** - Resident shall pay the Initial Rent with this Lease for the initial payment due (either pro-rated amount or a full month now and pro-rated amount, beginning of the 2nd month). Thereafter, Resident shall pay Rent by money order monthly in advance or by the first day of each month without deduction or demand at designated address or bank above. **Note: When making payments at the bank, (and only at the bank), money orders or cash are acceptable forms of payment.** If any rent is not received by Due Date, Resident shall pay the Late Fee. Resident further agrees to pay the Returned Charge for any check not honored. Management will require all future payments to be made by certified funds. Please note: Manager may apply any payments received to any obligations owed by Resident, which normally means first toward any past due charges or fees, then rent.
- 6) **PAYMENT DUE DATE OPTIONS:** You may choose the standard monthly rent payment option. Or if you prefer, for your convenience, you also qualify for our special Pay Day, (also referred to as bi-weekly) Lease Plan. The bi-weekly plan lets you match your rent closer to your pay day.

Please know that under the bi-weekly plan, you will pay more overall during the course of the year for the convenience and extra handling. However, many people like and prefer the bi-weekly plan because it allows them to budget smaller payments every two weeks with their pay checks, instead of the larger monthly payments and it helps residents to avoid costly late fees, service fees or court costs. Please choose the plan that will work best for you.

____ **Option A)** Monthly \$ _____ x 12 per year - due on the _____ of each month.

____ **Option B)** Biweekly Lease (every 2 weeks) Rent divided by 2 + \$10 = \$ _____ x 26 - due every other Tuesday.

Note that if you select the biweekly lease option, you must also agree to automatic rent drafts from your checking account on the agreed upon day every other week. This worry-free automatic draft option is also available for Monthly payments as well. We always want you to have the payment option that is best for you, so should you wish to change your due date in the future, do so, simply give at least a 30 day advance notice.

- 7) **LATE FEE** - A late fee of 10% of the rental amount will be assessed on rent received after the 1st of the month (or due date), without a grace period. Acceptance of late rental payments without billing for late fee does not relieve the Resident from further obligation payment for late fee. Management may terminate this lease if Resident is chronically late with rent payment. Chronic late payment is defined as paying rent after the due date two or more times. Rental rates are kept the same or close to the same for those who always pay on time.

- 8) **DO NOT MAIL ANY RENT PAYMENTS.** If checked, do not mail payments to any address. All payments must be directly deposited at the following bank _____ . Or if you prefer, you can utilize our automatic worry-free rent draft payment method.

- 9) **WORRY FREE PAYMENT METHODS:** Residents may select one of the following Standard "Worry-Free" payment methods for paying rent during the rental term, so that they don't have to worry about late fees every month. When selecting option (a), payments are automatically deducted from your checking or savings account. That way you won't have to worry about getting to the bank or mailing payments in time so as not to incur a late charge. One big benefit to residents who set up the worry free payments, is that this can help improve your credit score. This is because, utilizing this payment method, you can also request that all your payments be reported to one of the major credit bureaus. It's easy to set this all up. Just let the property manager know you wish to utilize the worry-free payment method for your rent. Residents then agree by giving authorization to arrange for rent collection by the method selected and debit appropriate account(s).

(a) __ Electronic debit from checking or savings account on the following day(s) _____

(b) __ Payroll deduction sent directly from employer biweekly or monthly.

This deposit is completely refundable at the time of the first six-month home inspection, upon satisfactory inspection of the item.

2. **FREE UPGRADE REFERRAL:** The owner/management agrees to offer a free property upgrade once a year to any 3-Star Resident who recommends and refers just one qualified prospective resident to one of our rentals.
3. **MAJOR MAINTENANCE GUARANTEE:** 3-Star Residents understand and agree that the following major repairs are the responsibility of the Owner’s and Managers:

1. _____
2. _____
3. _____

The Owners/Managers agree to guarantee that these major repairs will be fixed within 72 hours after notification of the problem to Owner/Manager. Resident understands that if a major repair is not corrected within 72 hours after notification, Resident will receive FREE RENT on a prorated basis starting the fourth day after the day of notification until the problem is corrected. Residents further understand and agree that the 72-hour clock does not start ticking until after the Owner has been directly notified of the problem and provides confirmation of that acknowledgement to Resident. The maintenance guarantee will not be honored if the maintenance problem was caused by the Resident’s negligence, abuse, or fault. Resident also agrees that in order for the Owner to honor the guarantee, the Owner or Manager must be given access into the building, with the Resident’s permission, to correct the problem. Free rent will be awarded in the form of cash rebate following the next on-time rent received.

5. **FUTURE HOMEBUYER:** As part of the 3-Star Resident program, residents are offered the opportunity to work with management toward obtaining a home in the future. When a resident has resided in the property for a minimum of ____ months, and are ready to purchase a home from the owner/management or a broker or builder in our 3-Star network, money will be given toward the purchase price at closing on your behalf. The amount of money that will be given at closing is based on your performance during the time you reside at the property.

Each time a 3-Star Residents makes on-time payment, that adds \$____ to the amount that will be given at closing on your behalf. During your tenancy, the total accumulated amount to be given at closing will be referred to as the Future Homebuyers Account, which can only be used solely for the purchase of a house and is credited or paid out at time of real estate closing. The house the Resident may purchase and apply the Future Homebuyers Account towards can be selected from either the same residence in this agreement or a selected house owned or managed by the owner or management or a house from one of the builders or brokers who work in association with us.

Please note that the money total that will be given increases each month with every on-time payment received by the following due date _____. If, however, payment is received late, the total money accrued into the Homebuyers Account up to that point becomes null and void. The total starts again to accumulate with the next on-time rental payment. Residents further understand and agree that they are responsible for the following Property Upkeep requirements:

1. Responsible for handling all normal upkeep and minor repairs. (Owner is still responsible for all major repairs, unless of course repairs were caused by the residents or due to their negligence).
2. Responsible to pass semiannual property inspections.

By meeting those two Upkeep requirements, Residents will receive an additional \$_____ every 6 months (following each inspection) added toward their Future Homebuyers Account. Two property inspections are conducted yearly with a checklist provided to Residents in advance of inspections. Failure to handle minor upkeep or failure to pass a property inspection nullifies the total amount up to that point that you will be given up to the Resident's at closing.

6. **BUILD YOUR CREDIT REPUTATION:** A review of each Resident's performance is performed every six months and Owner will provide residents with a copy of a GOOD performance report when so earned. Good reports are earned by Residents who pay on time and follow ALL terms of the Rental Agreement. Residents can then give copies of their report to future landlords, loan officers, banks, and mortgage companies. These reports may be beneficial in helping you rent or buy a car or house in the future. Building your credit reputation may also help Residents participating in the Future Homebuyers Program. Please note: a poor payment performance and or violations of the rental agreement are also kept on file and made available to future landlords, banks, lenders and any other creditors who inquire, that residents may want to do business with in the future when seeking to buy a car, insurance, home or other large purchase. Any debts left owing by residents are also reported directly to all three major credit bureaus so that the debt will appear on your credit report. Therefore, it is important that Residents understand that the credit they establish during this tenancy (good or bad) can follow you for many years. Because of such importance of performances reported or filed, Resident will always be notified before a nonpayment, rental violation or debt is reported an/or filed, thereby giving the Resident an opportunity to immediately correct any poor performance before such action occurs.

ROOMMATE SECURITY DEPOSIT ADDENDUM

The following is an addendum to the Security Deposit regarding the following rental address,

_____,
and the terms outlined below are agreed to by the following residents

(roommates):_____.

The security deposit is a deposit to secure the terms and conditions of the rental agreement and stays with the owner of the rental unit until the last roommate of those listed above vacates the rental. All roommates agree to give a forwarding address to the owner or manager before vacating the premises. If one or more roommates moves out prior to the others, it has been agreed among all parties that the balance of the security deposit (after the final accounting of any debts or charges owed) will be refunded and or divided according to the marked instructions below after the last roommate vacates. Please note: If

additional roommates are added to the rental agreement, and who contribute to the security deposit, it is understood that all parties (both old and new) must agree to the originally marked instructions below regarding disbursement of any deposit due at the termination of the tenancy. However, any disbursement of deposits will not apply to any roommate who did not contribute monies to the deposit.

() The final accounting and itemization of security deposit, including any refund due, will be equally divided between all roommates, whether or not they were the last ones residing at the premises at the conclusion of the tenancy.

() The final accounting and itemization of security deposit, including any refund due, will be given to the last roommate still residing in the premises at the termination of this tenancy. In the event, there is more than one roommate residing at termination of tenancy, then any refund due shall be equally divided between those remaining individuals.

A copy of the final accounting and itemization of security deposit, including any refund due, should be sent directly to the individual(s) who paid the deposit (and based on the proportions paid) regardless of who is residing in the premises at the time the termination of this tenancy. Therefore if two people each contributed 50% of the total deposit paid, then only those two people will receive 50% of the deposit due, even if one is no longer living in the premises and others later moved in and stayed until the tenancy ended.

The undersigned residents (roommates) acknowledge that they have read and understood this Roommate Security Deposit Addendum. And they further agree that the security deposit stays with the owner until the tenancy is terminated and all rents, debts, charges and damages have been paid.

This information is then made available to future landlords, property managers, lenders, creditors and employers as they request it.

The management of this property is our business. We will treat you in a professional, businesslike manner, and we expect to be treated the same in return. It is our policy to hold all of our residents accountable for their actions - whether favorable or unfavorable. Your reputation as a resident and as a creditworthy individual is on the line. The payment reputation you establish here will remain on your records for many years to come.

Every business, company or person who reviews your record in the future will have access to payment records you establish with us. We do a semiannual review of your payment record and give you a copy of all satisfactory reviews of your payment records. A good payment record should prove helpful to you. You can use any satisfactory payment reviews we provide to give to future landlords, banks, loan agencies, etc. If, on the other hand, you give us cause to report unfavorable information about you to credit reporting agency(s), that will also be available to employers, banks, home mortgage companies, insurance companies and other creditors with whom you wish to do business and who request a report. An adverse credit and rental history report can make it very difficult for you in the future to:

- get the job you want,
- rent an apartment of your choice,
- get a car loan, student, or medical emergency loan,
- buy life insurance or medical insurance for you or your family, or
- obtain any gasoline credit cards or department store charge accounts.

Remember that a favorable record is a vital key to your future. You can use your time as a rental resident to build a good payment history and build your credit.

INVITATION TO ALL RESIDENTS FOR WORRY FREE PAYMENTS
To insure you receive monthly rent discount or never have to pay a late charge!

Dear New or Renewing Resident:

We look forward to serving you and your family during the upcoming years as you reside in your (new) home. We will do our part to provide excellent housing for you, and we know that you will make your monthly rental payments on time as well. As outlined in your rental agreement, under our company's special rent discount program, you receive a discount for making your rental payments by the first of each month. To help guarantee that you receive this discount every month, we invite you to take part in our special payment program which is explained below.

Our special rent payment program is entitled AUTO RENT SERVICE - our automatic debit program. With AUTO RENT SERVICE, you will enjoy the convenience of electronic payments. Each month, with your permission, the funds necessary to pay your rental payment are transferred automatically from your savings or checking account, saving you the time and inconvenience of preparing and mailing a check and insuring that you pay only the discounted rent amount. This will help to make paying rent easy and painless. You won't have to worry again about forgetting to mail your check or paying a late charge for late rent!

Simply complete the AUTO RENT Authorization Agreement below. If you elect to have your checking account debited, we will need a voided check. If instead you have your savings account debited, we will need a savings deposit slip with your account number. It's as simple as that and you won't have to worry about your rent being paid on time (Just be sure to keep enough money in the bank to cover the payment). Your monthly payments will be credited on the first of every month (or the day we both agree to).

Verification of your AUTO RENT transaction can be made by referring to your monthly bank statement. If you decide to change banks while you are renting from us, the AUTO RENT plan can be easily transferred to your new account. Give us at least two weeks advance notice that you will be changing banks.

During the years you rent from us AUTO RENT SERVICE will save you time and postage, alleviate worry, and insure you that payments are made on time and you pay only the discounted rental amount that will save you \$_____each year, plus you will not have to pay any additional late charges. Of course, when you decide to change residences this AUTO RENT plan will immediately stop.

AUTO RENT SERVICE AUTHORIZATION AGREEMENT

Yes, I want to insure that I pay only the discounted rental amount each month of only \$_____instead of the normal monthly rental amount of \$_____. If my present rental agreement does not include rent discount provision, I understand that the AUTO RENT SERVICE will help to insure that I never have to pay a late charge. I give authorization to _____, owner of my residence, to debit \$_____monthly from my _____ checking acct. savings account. My checking or savings account number is: _____. Name of bank_____Bank address _____. Attached is a copy of a voided check or deposit slip with this form. I give authority for banks handling my checking or savings account to honor electronic transfers or pre-authorized checks drawn by _____until further notice is given. I further understand when I give thirty days notice and move from my present residence, this auto rent service will immediately be canceled.

ALTERNATIVE PAY DAY RENT PLAN WITH SMALLER PAYMENTS

Date: _____

Resident: _____

Address: _____

Good News! If you ever find yourself getting a little behind on the rent, this letter is to make you aware that there is an alternative rent payment plan available to help you avoid late fees. The alternative payment plan is known as the Pay Day rent plan. With this plan, you only have to pay a smaller rent payment every two weeks instead of paying a larger amount once a month.

Since most residents are paid every week or every two weeks, some residents like the convenience of paying rent biweekly (every two weeks) closer to the same time they receive their paychecks. Therefore the name - Pay Day Payment Plan. Sometimes residents may not have the full amount of rent due at the beginning of the month. However, most people can come up with at least two weeks worth of rent due every two weeks. This can help you avoid having to pay late fees or possible additional court or service charges when rent is not paid on time or very late.

This letter is to invite you to contact us right away if you would like to discuss or sign up for the alternative biweekly payment plan with smaller rent payments paid every two weeks instead of once a month. If you choose to pay rent under the payday payment plan option, your rent payment would be due the same day every other week, in your case every other _____. For residents choosing this plan, we also can set you up for the automatic bank draft plan where the rent will come out of your checking or savings account on the agreed payment schedule.

Your new biweekly rent payment amount would be the normal monthly amount divided by two plus a \$10 convenience/service fee added to each payment. In your case that would make your pay day rent amount \$_____ due every two weeks. Please understand that this is no longer a monthly payment due. Payment will be due every two weeks, 26 payments a year. Over a year, with a biweekly lease more rent is paid than with a monthly plan, because just like paychecks come every 2 weeks, twice a year there are 3 paychecks in one month, However if you end up paying many late, court or service fees with a monthly plan, that may cost you more.

Many renters across the country prefer to pay the smaller bi-weekly rent payments rather than struggle every month to get the larger monthly payment in on time, With the payday plan, they don't end up paying a lot of late, court or service fees during the year, and they can keep a better payment record and credit history, We want to offer the pay day plan to our residents as well. Most landlords don't even offer the biweekly plan because of the extra administrative work, but we want to give our residents the option to choose the plan that works best for your budget,

If the Pay Day plan is more convenient for you to make smaller payments every two weeks, we now offer you this option. Please contact us within the next three days if you prefer for now to pay biweekly using the Payday plan. Our phone number to call or text is _____. Or you may email: _____.

Manager _____ Resident _____

P.S. Know that if you choose the pay day plan for now, at anytime in the future, you can switch from one payment plan back to another. We want you to always have the rent plan that works best for you. Please understand, that even though the goal is to help make it easier for you to pay rent on-time, if any payment is not made on time, late fees will still be due and the eviction process will begin.

RENTER'S INSURANCE

From: _____

Date: _____

To: _____

Dear _____:

We want to make sure your family's belongings are protected against fire or theft during the time you are residing in our property. Please be advised therefore, that the insurance we carry for our building, only covers the building itself against fire. Our insurance does not cover your property in the event of fire or burglary. If your child breaks a neighbor's window or your guest is accidentally injured because of a hazard you allowed to be left on your property, there is a lot you can lose by not having insurance.

Many tenants are unaware that rental policies by the owner of the property do not protect them or their personal belongings against such calamities. To fully protect yourself, it is suggested that you get a renter's insurance policy, which most insurance companies provide. Your most likely loss would come from theft, vandalism or fire. How much is your entertainment system worth? What about your jewelry or other valuable possessions? In the event of a fire, do you know that all your furniture, clothing and other possessions probably add up to tens of thousands of dollars. Many rental residents have learned through a tragedy that they lost everything because they did not buy renters insurance.

Here's the good news. If you are already carrying auto insurance, adding renters insurance through the same company may cost you very little more. Most insurance companies offer a "multipolicy" discount if you add renters insurance to your current policy. This will save you some money.

We can recommend a company that provides renter's insurance at a reasonable rate. We even allow you to pay your renters insurance in installment payments with your next three rent payments. Let is know if you wish this option for obtaining renters insurance. Whatever you do, don't put your family's personal property at risk. Renters insurance is something you do not want to be without. It's well worth it.

All you need to do is contact us or an insurance agent today (e.g., the one you brought auto insurance from). If you are not currently working with an insurance agent, below is the name and phone number of an agent that should be able to assist you. _____ Be sure to tell him or her that you were referred by _____

During the year we may have representatives from the insurance company, that has coverage on the building, visit the dwelling for an inspection and take pictures of the property's condition.

We always ask the insurance company to give us advance notice so we may inform you ahead of time. We would appreciate your cooperation when we call on you.

Sincerely,

Rental Manager

Garbage Disposer Addendum

This agreement is an addendum and part of the Rental Agreement dated _____,
between Landlord/Management and Resident with reference to the property located at:

Disposers are a part of the plumbing system for a kitchen. The purpose of a disposer is to grind small amounts of food into small pieces that will easily pass thru the pipes from the kitchen to the main pipes leading to the sewer system.

Even with the best disposer (sometimes called a grinder by plumbers) large enough quantities of some food and scraps will cause the pipes beyond the grinder to become clogged.

Avoid putting the following foods thru a disposer:

- Bones (chicken, pork, lamb or beef)
- Vegetable peels (potato, cucumber, etc.)
- Fruit peels (lemon, orange ...) or pits or seeds (peaches, plums...)
- Coffee Grounds or Egg Shells
- Rice
- Beans
- Pasta
- Fibrous stringy vegetables (celery, kale, onion...)
- Grease or any liquid that will solidify at the temperature of cold tap water
- Best to avoid putting excess food items of ANY substance

I/we have read the above and understand, any expense for plumbing problems, clogs or replacement of disposal resulting from excess food (or any other items for that matter) put in the disposer will be paid for by the resident.

To: _____

The presence of mold can create health ailments and/or hazards for you or other occupants or guests visiting the leased premises. We therefore request that residents be responsible for preventing mold growth in your property, and not create or ignore conditions that can lead to mold growth. This can be done in several ways as outlined below. Resident agrees to be responsible for the following terms in regard to maintenance of their leased premises and mold prevention. This addendum becomes part of, or is incorporated into, the rental agreement. Failure to comply with any of the items listed is a violation of the rental agreement, grounds for eviction, and the resident may be held liable for any damages resulting from your failure to comply. Thank you for your cooperation.

1. Resident is responsible to report (in writing) any water, or plumbing to the owner or manager.
2. Resident is responsible to remove any excess or accumulation of moisture (which mold needs to grow). This responsibility includes not allowing any standing water to remain present in the interior of the premises. Also to report any standing water in common areas (if applicable).
3. Because mold also needs a food source to grow, the resident is responsible for keeping their property clean (especially kitchen area) and free of food sources which may allow mold to grow.
4. Resident is responsible for keeping the humidity and climate in the leased premises at reasonable levels. In addition, resident is responsible to report the malfunction of any heating, air-conditioning, or ventilation system that can affect the humidity or climate levels.

WATER SOFTENER ADDENDUM

This agreement is entered into this _____ day of _____
between Owner/Management _____, and
residents' _____ as an addendum and
made part of the lease/agreement for the property you are renting, located at
_____.

We are please to inform you that the property is equipped with a water softener,

We do, however, need you to be responsible for monitoring its operation and its proper
upkeep. It is therefore agreed that residents will check the level of salt in the softener tank
at least every _____ months to be sure that the tank is at least half filled with salt. It is also
agreed that residents will keep the tank adequately filled with salt at all times at the
residents' expense. Residents understand that the tank will be filled to the top with salt at
the start of lease, or as of this date _____, of which the owner/resident
shall furnish this.

If the water softener is found less than half filled with salt during quarterly
inspections, residents understand that they will be billed for every bag of salt that
management has to bring and pour to bring the level back up to half full, and they will be
billed a service fee. Residents understand that it is in both the residents' and owner's best
interest to have the water softener doing its job of softening the water through the house
at all times. It extends the life of the pipes and creates fewer plumbing problems in
general. It also minimizes cleaning in the home as there is no mineral deposit build-up.
Residents agree to immediately notify owner/management by telephone should water
softener appear to be malfunctioning.

MILITARY ADDENDUM

We recognize the tremendous contributions given by those who serve in our armed forces. We realize that military orders may require military personnel and/or their family to move and we are glad to work with all rental residents who are active in the military, should that become necessary. According to the Soldiers and Sailors Civil Right Act of 1940, residents who are currently active in military service or who enter military service after signing a rental agreement or lease have a federally legislated right to be able to terminate their agreement provided certain conditions are met. Management requires that steps are taken as outlined below and that the resident agrees to the following terms:

- 1) Residents must mail written notice of their intent to terminate their tenancy for military reasons to the landlord or manager.
- 2) The termination notice must give the exact date of when resident plans to move out.
- 3) Once a notice of intent to move is mailed or delivered, the tenancy will terminate 30 days after the next rent due date. This means that if the next rent due date is March 1st, and the resident mails a notice on February 25, the tenancy will terminate on April 1st (30 days after March 1st).
- 4) Mail any notice or communication to the landlord or manager at the following address,

- 5) Allow the owner to show the premises to any prospective resident anytime during the following hours_____. If the resident can't be reached after the Owner or manager has made a good-faith effort to do so, owner or manager may enter and show the rental.
- 6) Promptly return the keys to the owner and completely move and vacate the premises on or before the date stated in your termination notice.
- 7) Leave the rental in a clean condition and free of any and all damages.
- 8) Provide a forwarding address to the Owner prior to vacating the rental, so that the security deposit can be returned, provided that the resident has complied with the above terms and provided that there are no unpaid outstanding charges of any kind due from the resident and that there are no damages to the property.

LEASE ADDENDUM

RESIDENT GRIEVANCE AND APPEAL PROCEDURE

DO YOU HAVE A COMPLAINT?

You have the right to file a GRIEVANCE and to APPEAL almost any adverse action we take against you. The purpose of this grievance and appeal procedure is to make sure that all of our residents are treated fairly while at the same time allowing us to maintain and safeguard our home and apartments.

WHEN CAN YOU FILE A GRIEVANCE?

You can file a grievance if we fail to act in accordance with your lease, or local housing regulations and, as a result, you don't get all the benefits you are entitled to. This might include:

1. A refusal or failure to make repairs
2. A bill for damages we feel you, your family, or your visitors caused
3. A warning that you are in violation of your lease.
4. You have not been compensated for harm or damages done to you.

The grievance procedure DOES NOT apply to:

1. Eviction notices: However you can contest these in court and may wish to talk to an attorney before moving.
2. Disputes between tenants.

HOW DOES THE GRIEVANCE PROCEDURE BEGIN?

It begins when you present your complaint to the owner or manager. This must be done within 10 days after your complaint arose or you received notice from us you feel is in error. Please put your complaint in writing and keep a copy of it. We will meet with you within 5 working days of your request to try to work things out. In almost all cases we should be able to resolve your concern.

WHAT IF I STILL DISAGREE WITH THE DECISION?

You can ask for a hearing before a neutral mediation panel. This must be done in writing, no more than 10 days after you get the summary of our meeting. You should state why you are asking for a hearing and what you want done. The hearing officer or panel will meet with all of us and has the power to reverse our decision. We will send you a written summary of our meeting no later than 10 days after we meet.

WHO WILL CHOOSE THE HEARING OFFICER OR PANEL?

Two options: The first option is that we use a third party mediation service that is helpful in deciding disputes with landlords and residents. The following company provides that service_____. Or we can select a mediation panel more informally. Each of us select a person to serve on a panel and the two selected, then choose a third and all three hear the case. The mediation panel must be willing to listen to both sides and cannot be paid. They must also write down their decision and the reasons for their decision. If we can't agree on an informal panel, the mediation service will be used.

WHAT ARE MY RIGHTS AT THE HEARING?

1. You have the right to examine all relevant documents, records and regulations BEFORE the hearing.
2. You have the right to present evidence at the hearing and to question all available witnesses if applicable.

WHEN WILL I GET A DECISION?

You will receive a written decision within 10 days after the hearing. It must set out the reasons for the decision and be based solely on the facts presented at the hearing. This decision is binding unless the local housing office determines it is contrary to their regulations. If the decision is found in favor of the resident, the resident will be entitled to full reimbursement for any expenses or damages they incurred plus up to three months worth of rent, depending on the seriousness of the situation.

WHAT IF I STILL DO NOT AGREE WITH THE DECISION?

At this point you may then wish to talk to an attorney, after first going through the above steps. However, management will do everything it can to treat all residents fairly so this final step will not be necessary.

Thank you for your cooperation in helping us to resolve this matter to your satisfaction.

RENT PAYMENT PROCEDURES

All rent payments should be taken directly to and deposited at the **following Bank:**

_____. This location (or one of their branches) should be close to you and convenient.

Important points regarding rent payments/deposits:

1) Rent is due on the due date(s) on your lease.

2) Please note: When making payments at the bank, (and only at the bank), ALL forms of payment are acceptable including cash.

3) When paying by money order or check, all payments are payable to _____.

4) When you are taking rent payments into the Bank, let the teller know you are making a deposit to the following: _____ and give them the following account number for deposit slip: _____.

5) When making a rent payment at the bank, it is IMPORTANT that you **ALWAYS USE A DEPOSIT SLIP. Write YOUR name and property address (always include Apt #) on deposit slip. Please note:** If your name and address are not on deposit slip, rent payment may NOT be credited to your account.

6) On every Money Order or rent check you deposit, it is important that you **write your rental address on the front of the money order**, so that you will receive proper rent credit.

7) RETURNED CHECKS: Checks returned for non-sufficient funds or any reason will incur an NSF service fee, equivalent of 10% of check amount. Repayment must be made by certified check or money order. All future payments must then be made by money order or certified funds. Please know that a bounce check will also cause your rent to be considered late and therefore a late fee will also be charged to your account.

8) DELINQUENT RENT: If rent is not received by the due date, a loss of discount or a late fee will be charged according to your lease. If you're making payments in person at the Bank and trying to avoid late charges, be sure to get to the Bank on or before the due date and make your payment during regular bank hours (and keep your receipt for your records). Payments can NOT be made outside of the normal business hours of the bank. (Please note: as long as you follow step 5 above, you can actually make rent deposit at any branch location of the same designated Bank).

9) REPORT TO CREDIT BUREAUS: If rent payment is not received and never paid, it is important for you to know that your total debt, including all non-payments, from skip or evictions will be reported to all three major CREDIT BUREAUS and may remain on your credit report for 7 years.

10) DO NOT MAIL ANY RENT PAYMENTS. Do not mail payments to the bank or any other address. All payments must be direct deposited at the bank or you can utilize our automatic worry-free rent draft payment plan, from your checking or savings account. NOTICE OF STRICT ENFORCEMENT OF RENTAL POLICIES

From: _____

Date: _____

To: _____

Dear _____:

Your rental agreement states that monthly rent payments will be paid the first of each month. In the past, we have accepted rent payments made after the due date as a courtesy to you, not as a modification to your rental agreement.

From now on, however, we must insist on prompt payment as stated in your rental agreement. All provisions of the rental agreement will be strictly enforced. Beginning _____, your rent payment must be made on time pursuant to your rent agreement. NOTICE TO PAY RENT OR QUIT

Many states now have certain standards that **MUST** be followed in a legal termination notice, including specific wording or content. Some states have specific standards for the look, format, wording size and type. You must also check state statutes for the correct number of days residents must be allowed to pay rent or deliver up possession, which must be stated in the notice. All this is why when preparing such a notice, you should consult your local and state landlord-tenant statutes. If not, a judge may simply dismiss the case in favor of your resident. It's recommended that you seek counsel, before proceeding, if you have never gone through the steps in the legal eviction process or if you have any questions.

Dear _____:

I write to you with regret because I have had so much difficulty trying to resolve the following matter on my own. Perhaps your wisdom and life experience will help resolve your son's/daughter's) failing creditworthiness before it is too late.

I rented an apartment to _____ on _____. As you can see from the attached paperwork, I have had difficulties trying to collect all the rent due during the tenancy. I sought to work with _____ through the financial challenges and even offered a list of churches and community agencies that may have been able to offer assistance. I am not a hard-nosed, non-caring kind of person, who is hard to get along with. My nature is quite the contrary. It was mutually agreed by all of us that I would let the rental agreement be broken so that _____ could move to a less expensive rental. With a promise on my part to work with them to accept payment, I really believed in their honesty. The last thing I wanted to pursue was any legal action or eviction proceedings. Those legal matters do nothing more than cost everybody additional money and take up valuable time in our lives. I come from a family tradition that really believes in working with others if they stick to their promises and continue to make an effort to fulfill their obligations. But it seems that no such efforts were made in this case.

I have attached the most current letter I have been forced to send to _____ because I have not had any response. You were listed on the original application as a reliable reference and emergency contact in case of any financial problems. With your experience in life, you know how devastating a negative credit report can be these days when it gets in the way of a young person trying to get ahead in life. Perhaps a word or two would help resolve this matter before the _____ deadline given on the attached form. I have done all I can to help so far. I will be more than happy to speak with you or you can write me at the address above.

Yours truly,

RE: GARBAGE VIOLATION (WE NEED YOUR HELP)

It is not Management's wish to restrict your enjoyment of your residence; however, Management must consider the rights and privileges of everyone. We are informing you that your garbage has not been kept in a proper manner from time to time. The following is one such example _____ This is in violation of the Lease agreement.

Though it may not always be easy to keep garbage on the premises in a proper manner, we must ask for your assistance and cooperation. Remember that spilled garbage can attract mice and other animals such as cats, dogs and raccoons, etc. Please put your garbage in a garbage can WITH A LID ON TOP. Or tie garbage in a PLASTIC BAG (no paper bags are to be used). We cannot allow garbage to be spilled or lying about the premises. We would greatly appreciate your cooperation in this manner.

Remember that you are responsible for your own garbage. You must keep refuse and garbage in a clean and sanitary manner. We also ask Residents and their guests not to litter on the premises. Do not let this jeopardize your Lease.

We ask each Resident to keep the garbage pickup area clean at curb or alley and at the place of weekly storage. We realize that sometimes papers and debris that belong to someone else end up on the premises. Please help pick up these papers so the property is nicer looking. Thank you for promptly (daily) picking up newspapers or flyers that are placed on or near your door which is part of each resident's responsibilities.

We trust that Management will not have to notify you about any more garbage problems. However, be aware that if it continues to happen and you fail to comply with the Rules and Regulations, you will place yourself in further default of your Lease Agreement. Of course, default is a serious matter which could result in legal action being initiated against you.

An additional note: If Resident forgets to place their garbage out for the WEEKLY pickup, Management requests that Resident immediately remove their garbage from the premises at Resident's own expense. Management will have the right to terminate the Lease Agreement for non-compliance.

Please remember to retrieve your garbage cans soon after the garbage is picked up. If applicable, residents shall use Garbage Bins in accordance with the City Ordinances. If you have any questions, please call_____.

Your cooperation in this matter is greatly appreciated.

FINANCIAL ASSISTANCE AVAILABLE

From: _____

Date: _____

To: _____

Dear _____:

We understand that sometimes situations come up that are beyond your immediate control. When this occurs, it can create a serious financial challenge to meet all your obligations. Since having shelter is your most important financial obligation, I know that even when serious problems occur, you will do all you can to pay the rent and make sure that you will have a place for you and your family to live. To offer you assistance so that you hopefully will never have to be evicted, the management staff has contacted community agencies and local churches in the area that have previously been able to offer assistance to individuals facing financial difficulties. If assistance is needed now, or in the near future, in paying your rent, we suggest that you try contacting them immediately. While we can't promise that they will always be able to help, they have helped others in the past. These agencies and churches may need verification from the owner or manager regarding payment due, and we will be glad to respond to their requests. Have them contact us at the following number _____ if they need our assistance and we will also provide them with our address where they can send financial assistance for rent.

Please understand however, that although it's our policy to offer helpful suggestions, during the time you are working with any agencies or churches to come up with the money, until rent is actually paid, our nonpayment policies and steps toward eviction procedures must still be followed. That is why we encourage you to make contact with these agencies, relatives, friends and any others who may provide you assistance as soon as possible, so that you can come up with the money before final eviction takes place. And be sure to contact us as soon as you received funds for your payment due. The following are the names and numbers of agencies and churches that may be able to help you:

NOTICE OF DEBT FORGIVENESS

_____, Former tenant

Date: _____

Dear _____,

_____ This letter is to notify you that you owe \$_____ for past due rent and/or other charges to _____ (previous landlord). You have 30 (thirty) days to pay said amount in full or contact me to make satisfactory arrangements for payment. If I have not received payment in full or other acceptable arrangements by the following date, _____, I will assume that it is intention not to pay amount due. After that date, I will cancel the debt and forgive the back rent and other charges.

Please be advised that pursuant to the INTERNAL REVENUE SERVICE code, that when indebtedness is forgiven, it becomes classified as income and taxes will be due them from you on this amount. Cancellation of debt must be reported to the IRS by the one whose debt is being cancelled. It would, therefore, be necessary for you to include said cancellation of income on your tax return so that you'll be able to pay the tax due without incurring any interest and penalties for failure to report said income.

I will be submitting a 1099 to the INTERNAL REVENUE SERVICE in your name for \$_____. I will mail this form and officially forgive the debt on the following date _____. Once this form is received, it may trigger a letter to you from the IRS and possibly a **complete tax audit**. This letter is being sent however, in hopes that you will pay the amount due or set up an acceptable payment plan, so that the IRS will not have to be contacted on your regard.

Be advised as well that if you are on any form of public assistance, this classification of income will also be reported to all public assistance programs that you may be participating in, and this might cause you to lose eligibility in the program or reduce monthly payments to you.

Hopefully you will pay the debt so that a 1099 will not have to be filed. To make payment arrangements, please contact me by this date, _____. The phone number to call is _____ or send the amount due to me to the following address

(Please Post as a Reminder to Yourself!)

10 REASONS WHY YOU SHOULD NOT FEEL GUILTY ABOUT EVICTIONS!

- 1) ALWAYS START EVICTIONS IMMEDIATELY. If the tenants need extra time, the court will give it to them.
- 2) You don't make a profit with evictions. You only cut your losses.
- 3) You've already supplied the "NEEDY" tenant with free housing. You've done your charity work, give someone else a chance.
- 4) If the tenant doesn't have a friend or relative to help him out, doesn't that say a lot about the tenant's character.
- 5) If anyone asks you how you could put someone out on the street, ask them to pay the rent for them and you won't evict them.
- 6) The tenant has illegally kept possession of your house and is stealing from you. He has stolen your home, stolen utilities, stolen your hard-earned investment and stolen your services. The tenant is a thief. Do you see stores letting your tenant go in and take from them?
- 7) Letting a tenant stay in your house who is not paying rent is like giving your tenant your charge card or a blank check and telling him, "Feel free to spend it because I really don't care. I like loaning money out interest free, even if I'm not sure I'll get paid back."
- 8) How would you feel if you worked all week and your employer said I don't have a paycheck for you. Guess what, your tenant has told you that! Do you work for nothing?
- 9) If you want to give your apartment away or provide free rent, you should be the one who decides who gets it, not your tenant. There are a lot of people more deserving.
- 10) Your tenant is taking money that stops you from providing for your family needs. And the sad thing is that some tenants live better lifestyles than their landlords. It's easy when the landlords let them live rent free! Picture yourself trying to tell your child that you could not give him or her the item he or she wanted because you had to pay a stranger's rent so the stranger could buy a gift for his child.

Prevent Move-outs with Preventive Maintenance

Ninety days before a resident's anniversary date, it is suggested to perform preventive maintenance in the residents' home. At this time, air conditioning filters can be changed along with other preventive maintenance tasks: i.e., check smoke detectors and inspect for water leaks. At the same time, consider coordinating pest control treatment as well. Most importantly, you can spot check for any needed repairs or lease violations.

Coordinating all this during a scheduled quarterly or bi-annual house visit at the same time by assigning and training one or two individuals to perform these various tasks makes a lot of sense from a time management perspective. You are able to accomplish several tasks during one scheduled time period, plus you are taking pro-active steps to routinely maintain and protect your property. And the resident will hopefully appreciate the extra attention given to their home while not being inconvenienced with several separate visits into their home.

The following is a sample preventive maintenance card that can be easily modified and sent in advance of a scheduled visit or left in the home following a scheduled visit.

Dear 3 Star Resident,

To keep your home running as smoothly as possible, we perform semi-annual Courtesy Service Checks for your home. On the following date, _____, we will / have perform(ed) the latest home courtesy check which includes:

We want to make sure your home continues to be routinely serviced and we thank you for handling the regular upkeep of the property and for being one of our 3-Star residents.

NOTICE OF LOCK CHANGE OR DUPLICATE KEY REQUIRED

Dear _____,

It has come to the attention of management that we do not have a key that would allow us to get into your home in the case of an emergency. At all times, our managers must have a key that could get us into your home if necessary.

In the case of an emergency, it is essential that our management or maintenance be able to have access. If we are unable to get into a home, this could create a significant safety risk to residents or the property. In addition, if you lock yourself out or lose your key, we will be able to still gain access to your property without having to force our way in. A forcible entry could mean additional damage to your property that you, the resident would be responsible for.

As soon as possible, we need you to coordinate a time when we can either get a set of duplicate keys or put a new lock on the door(s). Please note: If we have just taken over management, all new locks will be installed at your home as a courtesy. Contact us right away _____.

Thank you for your cooperation,

Management

SUMMER CHECKLIST FOR RESIDENTS

During the summer months, will you be traveling out of town? We would like to recommend the following steps to help prevent any problems from occurring in regards to your residence. We will be glad to even check on your property if you will be away for an extended vacation period.

Notify management of your absence. Call and inform us of any dates, where you will be away from your rental for an extended period (beyond three days). Leave an emergency number where you can be reached.

Prepay your rent. Prior to leaving, prepay rent especially if you are traveling near the rental due date. This way, you can avoid late fees and preserve your excellent payment and credit history. Reminder, we offer the special automatic-draft or electronic transfer payment plans that allow you to focus on your trip and not worry about mailing payments and possible late fees.

Purchase automatic timers for your lights (or receive them as a free gift). Lighted windows give the impression that someone is home. We will give you two as a free gift when you sign up for the automatic draft prepayment plan). Your automatic timer lights can turn on your lights in the evenings and off in the morning.

Yard Maintenance: If your rental agreement states that residents are responsible for yard maintenance (regular lawn cutting), be sure to make arrangements for someone to cut the grass during your absence. Owner reserves the right to hire someone to cut the grass if left unattended for two weeks, and bill the resident for the charges.

Stop newspapers and mail delivery. Stop all routine deliveries, so that there is no evidence that you are away. Items accumulated at your front door, on your yard or in your mailbox are signals that you are not home.

Inform your immediate neighbors. Designate and ask at least one neighbor to keep an eye on your property during in absence. Give that neighbor our management number, in case they notice a problem. Please give the management the name and phone number of the designated neighbor.

Secure all doors and windows. Weather changes can damage your carpet, drapes and furniture. Close and lock all doors and windows. Be sure we have duplicate keys to all locks.

Avoid insect problems. Eliminate the possibility of returning to an insect infested home. Empty all trash containers and garbage bags and remove them from the home. Secure open food containers, and put them in your refrigerator.

Disconnect appliances. Avoid leaving any appliances plugged in, including such items as; your televisions, computers, microwave, iron, toaster and other small appliances. Check all cords for fraying to insure a fire will not occur while you are away.

Check your gas stove burners and oven. Before leaving your premises, always take a final check of your stove to insure the burners are off to eliminate the possibility of a gas explosion.

Water all house plants. Prior to an extended absence, water all house plants and place them in the kitchen sink. Make arrangements for a friend to water your plants.

Telephone message. Do not leave messages on your voice mail system or answering machine that reveal you are on a vacation or away for an extended period.

Do not leave any animals unattended: If your lease permits a pet, do not leave pets in the residence unattended while you are gone.

PREPARATION FOR COLDER WEATHER

(Letter to all residents)

Dear Residents,

Cold weather will soon be falling on us and we'd like to share a checklist that will help keep your heat bills down this winter and make your home warmer and safer for you and your family. Planning ahead can save you money and frustration. As per your rental agreement any preventable damage (such as freezing pipes) is the tenant's responsibility.

OUTSIDE PREPARATION

_____ Check and close all the vents to the crawl space under the building.

_____ Unhook your garden hoses.

_____ Prevent water lines from freezing by wrapping exterior pipes; newspapers covered with a waterproof material works.

_____ When the temperature forecast drops below freezing leave outside faucets running slightly (a small steady stream of water). But don't allow outside faucets to flow into the street or onto sidewalks and other areas where people may walk. Should pipes freeze, don't use open flames to thaw out lines. This may catch the house on fire, or worse, create an explosion caused by expanding steam between two plugs of ice. Pipes don't always burst the first time they freeze. However, should a pipe burst, locate your water shut-off quickly at the main valve. (If you don't know where the shut-off is, let us know now, before any trouble occurs.) If the pipe break is a hot water line, close valve on the top of the water heater also. A plumber may need to be called. Please use plumber(s) previously approved by us.

_____ Check to insure that the caulking around the outside windows and any weatherstripping around door frames is still in place to stop cold air.

_____ Don't forget to close storm windows.

_____ Make sure storm chains, if present, are attached on any storm doors. This prevents strong winds from blowing the door off or damaging the door.

_____ Keep the gutters cleaned out if they are clogged with leaves. The water will overflow and cause the house to rot or back up under the roof and into the house.

INSIDE PREPARATION

_____ Make sure the heat never goes below 50 degrees, even when you are not home.

_____ If the temperature is forecast to drop below freezing, leave at least one inside faucet dripping lukewarm water so that both hot and cold pipes are involved.

_____ During periods of cold weather, leave cupboard doors open in the kitchen and bathroom so that pipes inside will be exposed to heat. If you will be away for more than two consecutive days this winter, please let us know at least one week in advance so we can check on your rental if a sudden freeze occurs. We also want to be able to _____ reach you in case of an emergency.

_____ Changing the heating/air filters monthly can make a big difference in your bills.

_____ Make sure the attic access door is in place.

_____ If you have a fireplace or a wood stove, the chimney needs to be cleaned each year. Chimney fires are common if this is not done. Call a professional who can do a complete job and also check the safety of the chimney.

_____ Test your smoke alarm(s). There are more fires in the winter, and the smoke alarm is one of your best safety features. If you don't have one, or it doesn't work, let us know. This is important for your family's safety. Make sure your smoke alarms have a battery and they are working. You might want to consider buying a small fire extinguisher for your kitchen and garage.

We greatly appreciate your efforts in helping to make sure your residence is kept as warm and as safe as possible during the upcoming winter months.

CHRISTMAS TREE SAFETY TIPS

Dear Residents,

Your safety and the safety of your family is our concern. If you have placed a Christmas tree in your home or you will be buying a Christmas tree for your home, one of the most important things to remember when decorating your Christmas tree is to use safe tree lights. Some lights are designed specifically for indoor use.

The larger tree lights should also have some type of reflector rather than a bare bulb and all lights should be listed by a nationally recognized testing laboratory. Never use electric lights on a metal tree.

Follow the manufacturer's instructions on how to use tree lights. Any string of lights with worn, frayed or broken cords or loose bulb connections should not be used.

Always unplug Christmas tree lights before leaving home or going to sleep.

Never use candles to decorate a tree, and never burn candles in the home.

If you have a live tree, try to keep it as moist as possible by giving it plenty of water.

Do not purchase a tree that is dry or dropping needles.

Choose a sturdy tree stand designed not to tip over.

When purchasing an artificial tree, be sure it is labeled as fire-retardant.

Children are fascinated with Christmas trees. Keep a watchful eye on them when around the tree and do not let them play with the wiring or lights. Store matches and lighters up high, out of the reach of children, preferably in a locked cabinet.

Carefully plan where your tree will be positioned. Make sure it is at least 3 feet away from any source of heat, and do not place the tree in front of or near your exit. Also try to position it near an outlet so that you do not use extension cords and so that cords are not running long distances.

Safely dispose of the tree when it begins dropping needles. Dried-out trees are very dangerous and should not be left in a garage or placed against the house.

Thanks for your cooperation,

Management Team

SATELLITE DISH AND ANTENNA ADDENDUM

- 1. Number and size.** You may install only one satellite dish or antenna within the premises that are leased to you for your exclusive use. A satellite dish may not exceed 39 inches in diameter. An antenna or dish may receive but not transmit signals.
- 2. Location.** Location of the satellite dish or antenna is limited to (1) inside your dwelling, or (2) in an area outside your dwelling such as a balcony, patio, yard, etc. of which you have exclusive use under your lease. Installation is not permitted on any parking area, roof exterior wall, window, windowsill, fence or common area, or in an area that other residents are allowed to use. A satellite dish or antenna may not protrude beyond the vertical and horizontal space that is leased to you for your exclusive use.
- 3. Safety and non-interference.** Your installation: (1) must comply with reasonable safety standards; (2) may not interfere with our cable, telephone or electrical systems or those of neighboring properties; (3) may not be connected to our telecommunication systems; and (4) may not be connected to our electrical system except by plugging into a 110-volt duplex receptacle. If the satellite dish or antenna is placed in a permitted outside areas, it must be safely secured by one of three methods: (1) securely attaching it to a portable, heavy object such as a small slab of concrete; (2) clamping it to a part of the building's exterior that lies within your leased premises (such as a balcony or patio railing); or (3) any other method approved by us. No other methods are allowed. We may require reasonable screening of the satellite dish or antenna by plants, etc., so long as it does not impair reception.
- 4. Signal transmission from exterior dish or antenna to interior of dwelling.** You may not damage or alter the leased premises and may not drill holes through outside walls, door jams, window sills, etc. If your satellite dish/antenna is installed outside your living areas on a balcony, patio, or yard of which you have exclusive use under your lease, signals received by your satellite dish or antenna may be transmitted to the interior of your dwelling only by: (1) running a "flat" cable under a door jam or window; (2) running a traditional or flat cable through a pre-existing hole in the wall (that will not need to be enlarged to accommodate the cable); (3) connecting cables "through a window pane" similar to how an external car antenna for a cellular phone can be connected to inside wiring by a device glued to either side of the window without drilling a hole through the window; (4) wireless transmission of the signal to a device inside the dwelling; or (5) any other method approved by us.
- 5. Workmanship.** For safety purposes, you must obtain your approval of (1) the strength and type of materials to be used for installation, and (2) the person or company who will perform the installation. Installation must be done by a qualified person or company that has worker's compensation insurance and adequate public liability insurance. Our approval will not be unreasonably withheld. You must obtain any permits required by the city for the installation and comply with any applicable city ordinances.
- 6. Maintenance.** You have the sole responsibility for maintaining your dish or antenna or all related equipment. We may temporarily remove the dish or antenna if necessary to make building repairs.
- 7. Removal and damages.** You must remove the satellite dish or antenna and all related equipment when you move out of the dwelling. You must pay for any damages and for the cost of repairs of repainting which may be reasonably necessary to restore the leased premises to its condition prior to the installation of your satellite dish or antenna and related equipment.
- 8. Liability insurance and indemnity.** You are fully responsible for the satellite dish or antenna and related equipment. Prior to installation, you must provide us with evidence of liability insurance to protect against claims of injury and property damage, related to your equipment. The insurance coverage must be no less than \$_____ and must remain in force while the satellite dish or antenna remains installed. You agree to defend, indemnify and hold us harmless from the above claims by others.
- 9. Deposit increase.** A security deposit increase (in connection with having a satellite dish or antenna) is required. Your security deposit is increased by an additional sum of \$_____ to help protect us against possible repair costs, damages, or any failure to remove the satellite dish or antenna and related equipment at time of move-out. A security deposit increase does not imply a right to drill into or alter the leased premises.
- 10. When you may begin installation.** You may start installation of your satellite dish or antenna only after you have: (1) signed this addendum; (2) provided us with written evidence of liability insurance referred to in this addendum; (3) paid us the additional security deposit; and (4) received our written approval of the installation materials and the person or company who will do the installation.

LEAKAGE LETTER

Dear _____:

I am writing to ask for your help in keeping expenses to a minimum by simply completing the lower portion of this letter and returning it to me with your next rent payment.

The City of _____ has what is called a Sewer User Fee. This is a fee charged (to me) for the use of the city's sewer system and is paid in addition to the water bills. The amount of the Sewer User Fee is determined by the amount of water used during the winter months. Needless to say, the lower the water consumption, the lower the Sewer User Fee.

Therefore, to keep expenses (and, ultimately, your rent) as low as possible, I am asking you to check to see if your toilet runs continually and check each of your water faucets, as well as those not in your living areas (i.e., basement or exterior faucets), for leaks. Then circle the appropriate faucet below along with any notes about the problem and return the lower portion of this letter me at _____. If you find that none of your faucets leak, please circle yes on the last question and return it. If the form is not returned, it will be necessary for us to have someone inspect your apartment or house.

Thank you, in advance, for your cooperation

Sincerely,

Owner/Manager

ADDENDUM — PLUMBING — SINKS & DRAINS

Dear Residents:

We are concerned about the health, safety, and welfare of all our residents and those who provide services to our properties. Therefore, we ask that you abide by the following guidelines in regards to sinks, drains, toilets and other plumbing fixtures.

**Do NOT put any kind of chemical treatment into
any plumbing fixture — (sinks, toilets, drains).**

- Products such as Liquid Fire, Drano, and Liquid Plumber can cause serious physical injury to you and/or our service person.
- These products can cause property damage to plumbing pipes and drains. Some products actually melt pipes.
- If your home is on a septic system, these kind of products can upset the natural processing waste that occurs in a septic system.

In order to avoid injury to anyone and costly charges to your account, do not put food, grease, etc., or chemical products in waste lines.

In accordance with your rental agreement, Management warrants that the dwelling's plumbing drains are in good working order and that they will accept the normal household waste for which they were designed. They will not accept things such as paper diapers, sanitary napkins, tampons, children's toys, wads of toilet paper, paper towels used as toilet paper, balls of hair, grease oil, table scraps, clothing, rags, sand, dirt, rocks, or newspapers.

You will be responsible for any stoppages after 5 days of occupancy unless it was caused by mechanical failure of the plumbing system. If your system becomes clogged after this date, you are responsible for notifying the management and management will call an authorized plumber of their choice to clear or repair the toilet at resident's expense. Residents agree to pay for clearing the drains of any and all stoppages except for those which the plumber will attest in writing were caused by defective plumbing, tree roots, or acts of God. No reimbursement will be made to residents for plumbing work or charges by individuals not pre-approved by management.

I want to personally thank you for the privilege our company has had to serve you and your family for the first year of your 3-STAR PROGRAM. We look forward to serving you for the next two years of your 3-STAR PROGRAM.

NOTICE OF RENT INCREASE

Date _____

To: _____:

This letter is to notify you that there will be a change to the terms of tenancy under which you occupy the property located at:

_____.

As of the following date, _____, your rent will be adjusted by _____ per month.

The new rent amount will be _____ per month, payable in advance. The increase is due in part for the following reasons:

Owner/Manager

P.S. To help keep future rental increases to a minimum, your cooperation continues to be appreciated with on-time payments, excellent property upkeep and in the following matter(s):

RENEW EARLY - SAVE MONEY

Your current lease will expire within the next 90 to 120 days on _____. Each year your rent is adjusted, however, we let residents help determine how much the rent increase will be. For the upcoming year, your rent increase will be between \$10.00 and 100.00. Again, the good news is that you get to determine if the rent increase will be small or large. This increase is necessary because of increasing operational expenses, taxes, and utilities. Because you are a 3 Star resident, we want to keep your increase to a minimum, so we encourage you to respond to this letter as soon as possible. The rent increase will be small, only \$10, if you renew your agreement early, however, the small increase of \$10 is guaranteed only until the following date _____, after which your rent is subject to an additional increase of \$1.00 per day until you decide to extend your agreement, up until your anniversary date.

The maximum rent increase is \$100. Here's how you can save up to \$90 off that increase. If you renew now, at least 90 days prior to your anniversary date, save \$90 off your monthly rent increase. Instead of an increase of \$100, the increase is only \$10 per month. If you wait and renew 60 days before your anniversary date, save \$60, your increase will be \$40 per month. Wait longer and renew 30 days prior to your anniversary, you save \$30, making your rent increase \$70 per month. As you can see, the earlier you renew your agreement, the more you save and the lower your rent increase will be.

The reason we offer the savings is because the sooner we know if you will be staying in the property, the less we have to prepare to possibly advertise and re-rent the premises. The sooner we know, the easier you make our job and so we offer a greater savings for letting us know early.

Please sign below and return this letter as soon as possible to the following address _____ no later than _____, to take advantage of the biggest rent savings and discount. The date we actually receive this letter is the date we use to calculate your savings. We value your tenancy and hope you plan to stay and save as much as possible. After this letter is returned to us, we'll send back a copy for your records and an addendum to your rental agreement with the new rental rate. If you have any questions regarding your renewal savings, please call me at _____. Thank you for your cooperation.

Yes, I wish to renew/extend my lease an additional year. I also wish to save as much money as possible on the rent increase. My goal is to that you receive this letter at least _____ days before my anniversary date, so I can reduce my monthly rent increase by that same amount.

LEASE EXTENSION REMINDER

FROM:

Date:

Dear:

We have not yet received your response to our invitation for a new one-year lease extension. Perhaps you have overlooked returning your response sheet. Please return your response to us as soon as possible. We want to remind you that we need to hear from you by the following, date,_____.

If we have not heard from you by that date, we will begin to make arrangements for another resident to move into the home or apartment. Should you decide after that point, that you indeed wish to continue residing in the property, that option may no longer be possible, because we may have another applicant desiring to move in, or other immediate plans for use of, or work to the property. After that point, if it is not too late, and we are able to still offer you the opportunity to extend your agreement, you may have to pay an additional amount to reimburse us for expenses for marketing, legal fees or other costs spent in preparation for ending your rental tenancy and preparation for our next residents. Some costs may be charged, even if you decide not to extend the agreement, but wait until after the date to let us know. So again, please let us know your response as soon as you can, and especially by the above date.

We hope you decide to extend your lease and stay at your current home. With all the cost involved in moving these days, it probably will save you a lot, if you don't have to move at this time. We look forward to meeting your housing needs for another year. If we can further assist you in helping to make your decision, please do not hesitate to call us at_____.

PLANNING TO MOVE?

CHECKLIST OF MOVING EXPENSES

Below is a list of expenses you may need to plan for if you are preparing to move. The costs are only estimates but may be helpful guidelines. If we can be of any assistance to you when you move, let us know and, if you decide to rent from us for a longer period of time, contact us as soon as possible so that we will not make arrangements for someone else to rent your residence.

___ First Month's Rent in Advance	_____
___ Security deposit that will be required	_____
___ Additional rent or deposit	_____
___ Moving company/hired help	_____
___ Utilities / deposit(s)	_____
___ Telephone installation / connection/deposit	_____

Any move works far better if you know ahead of time how much your total costs may be. Many residents make the mistake of thinking it does not cost much to move and then have big headaches when they realize it costs more than they thought. Many wish too late that they would have stayed where they were a little longer. Remember, if you decide to extend your lease, let us know before it's too late. It may save you a lot of money.

NOTICE TO VACATING RESIDENT

Address: _____

Dear _____:

We received notification on _____ that you will be vacating the above address by _____. We want to remind you that the property must be returned to us in the same condition it was given in order to receive your full security deposit back. Please refer to our "Minimum Charges" form for charges that are deducted from your deposit if we have to restore different aspects of the property back to the same condition.

Return all keys to our office, because unless otherwise agreed on, you remain responsible for rent payment each day until the key is received by us. After keys are received, we will make one final inspection with you to see if the property has been reasonably cleaned and without any damage. If all checks out well, your deposit will be refunded to you within _____ days.

We have immediately begun advertising for new residents. Let us know if you have any change of plans on your move date or know someone you can recommend, because we will be scheduling a new resident to move in the day after you vacate. Also, if we can provide you with a larger rental or in another location better for you, let us know because we do have other rental homes that will soon be available.

Thank you for your cooperation.

Sincerely,

Rental Manager

P.S. Please keep rental looking good so when we show it to prospective tenants they will be impressed. Remember, if we sign up a new resident before you move out, you receive an additional \$50 bonus in moving assistance, on top of whatever deposit you are entitled to. We also ask for your cooperation, and permit us to show the property to a prospective resident while you are still residing on the premises. If you know someone who may be interested in renting the home, please call us as soon as possible _____.

RESPONSE TO VACATING WITH SHORT NOTICE

Address:

Dear _____:

We have received your request for permission to vacate the above address without giving proper notice. Under normal circumstances, and as stated in your rental agreement, you are requested to give a minimum 30 day written notice prior to the date you desire to move out in order to receive your security deposit back.

We understand that sometimes circumstances arise that you are unable to plan for. The reason 30 day notices are required is to give both parties advance notice to plan for the change. In our case, the notice gives us enough time to find another tenant to take your place. Without sufficient time we may have days go by with a vacant dwelling and loss of income which is why your security deposit is not refunded. However, if you assist us by recommending a friend or co-worker to take over the dwelling as soon as you move out we do not lose rental income and we can, therefore, return your deposit to you, minus a small transfer fee of only \$50.

We will also do all we can to get the place re-rented promptly. If we do so prior to you moving we will return your deposit to you minus the transfer fee plus advertising costs we incurred. This will still provide you with a return of part of your deposit that I'm sure will be helpful to you, wherever you are going.

Thank you for your cooperation.

RESIDENT REFERRAL POLICY AGREEMENT

(Receive up to \$100 cash bonus!)

It is the policy of _____ (where state law permits) to pay current residents a referral fee for directing new GOOD residents to our rental properties. Since these people may become your neighbors, we wish to insure that only qualified residents are accepted. We are also looking to rent to applicants who will abide by all terms of the rental agreement (including not disturbing the peace of neighbors). Toward this end we are paying the current resident (who refers a new resident) a bounty of \$100 subject to the following conditions:

1) All incoming prospective residents are subject to the normal screening process. We appreciate your assistance in referring someone, but please understand that the ultimate selection of the next resident is at the sole discretion of the landlord or his designated representative. The screening process consists of a rental application, a nonrefundable \$_____ screening fee and a background check. All applicants are screened for previous evictions, criminal history, and a credit check is performed.

2) The new resident must pay on time for the first six months. This means the rent payment is to be to the landlord by the due date EVERY month during that time period. There must not be any neighbor complaints of record against the new resident.

3) The referring resident must also be current with his or her rent at the time of the referral and must pay rent on time during the same six months as the new resident. And there must not be any neighbor complaints of regard against the referring resident.

The bonus payment will be paid to the referring resident in the following manner: \$50 paid immediately after the new resident is approved and moves into the property. At the end of the first six month period of occupancy by the new resident, an additional \$50 will be delivered to the referring resident if all conditions have been met. If conditions have not been met, the referring resident will owe the landlord a refund for the first \$50 of the bonus previously given.

THE EASIEST \$100 DOLLARS YOU'VE EVER MADE!

Everyone likes a little extra CASH during and after the Holidays. Wouldn't you agree? But most of the time it requires working overtime, or picking up a second job.

I don't know about you, but I'm too busy as it is, and a second job is out of the question. But still, I'd appreciate a couple of extra hundred dollars for those unexpected expenses that always seem to pop up during and after the holidays.

What could you do with some extra spending money?

Maybe you could buy that special someone in your life a really nice gift this year. Or perhaps there is a particular piece of electronic equipment you've had your eyes on...

What ever your reason... we'd like to make you an offer that would benefit both of us. The homes/apartments we manage will have a couple of openings in the upcoming months, located at _____. Instead of throwing the money away on ads in the local paper, we thought we'd give it to our residents.

Show me the MONEY!

Here's the deal. If you refer someone to us, and they mention your name as who referred them, and they rent from us during the upcoming month(s) of _____, we'll pay you a \$100 dollars per referral! Normally we pay \$50 dollars referral, but since it's the holiday season, we're doubling our referral reward.

Now, how's that for easy money? If you live near the homes or apartments becoming available, you may know some of the good points about the property or the neighborhood, with it's easy convenience to:_____.

You should also know about the nice features of the properties, which include:_____.

Okay, but what do I have to do?

All you have to do is keep your ears and eyes open. Surely you know a friend, relative, or co-worker that is looking for a great place to live. We're looking for a few great residents like you. And besides, wouldn't you rather pick your neighbors? Simply give them our phone number,_____, and tell them what you like most about living in your home. We'll do the rest.

Sincerely,

Owner/Management

CORPORATE VIP HOUSING

FROM:

Date:

Dear:

We want to offer and provide a housing service for your company that is needed from time to time for your important clients and/or employees. It is our understanding that you often work with clients arriving from out-of-town, or those staying in the area for a short-term basis. Some of these clients will be in need of temporary housing.

Our company owns and manages home rentals that are available for short-term periods. Our homes and/or apartments can provide needed temporary housing for out- of-town clients staying in the area for a designated time period, and also for employees who are relocating or here for short-term job assignments or training. Most landlords, local apartment managers and home rental agents avoid short-term leasing agreements. However, we provide quality homes and apartments on a weekly or monthly basis, completely furnished if needed, and conveniently located near _____ . (At one-half the rate of local hotels).

Please call our office for further information, or to reserve specific dates. We also know that in some cases, as with a client or employee arriving on short notice, you have no way of reserving space in advance. When that occurs, you must search for and locate suitable housing quickly. Often, the only short-term housing available on short-notice is at the more expensive hotel rates.

We offer one other option to you. We will allow any corporation or company to reserve a home, (keep on hold), for their exclusive use and their clients. The home can be held for only 1/2 our normal rate (\$____per day). Then, when the need arises for a client to occupy, our normal discounted rate goes into effect. This gives you the assurance of being able to meet the needs of your clients quickly, without them, or you, having the time-consuming and frustrating task of searching for adequate housing at double our cost. This can also be an extra selling point for your company to potential clients who will need a place stay. Once again, please call, if we can be of help in reserving a “VIP” home for your company, your clients or your employees. Our phone number is _____.

I just ask that you, or the client, inform us before or at the time of application that he or she was referred by you. If you offer additional marketing or leasing assistance that can help me find suitable residents, I'd very much like to hear what services you offer.

Though I'm not currently looking for a company to handle all management responsibilities, I may need such assistance in the future. Please call me at _____.

INTRODUCTION TO PROPERTY MANAGEMENT COMPANY

Date: _____

Dear _____:

This letter is a friendly and official notification that the home/apartment where you are currently residing, _____, has recently come under new management. We would like to take this opportunity to introduce the name of the new company taking on the new management and a couple of their rental policies that will immediately go into effect in working with residents.

The name of the management company is _____. Their business address for any written correspondence is _____.

The property manager assigned to your property is _____ and he/she will be one of the key contacts for your property. Since he or she is already familiar with your property, he or she was chosen as the best candidate for now to continue handling many of those same responsibilities. The best phone contact is _____. Please call this number regarding any major concerns. The office hours are _____. Below are a few of the main rental policies of the new company.

ON TIME PAYMENTS. Payment is due by the ____ of each month. There is a late charge or loss of rent discount for any payments received after the due date. Legal eviction proceedings are initiated on the _____ of the month if we have not received payment, which will result in additional charges to your account. Additional policies regarding non payment include: _____.

PAY DIRECTLY AT THE BANK. Please note that rent payments are to be made directly at the following bank _____. When you are taking rent payments into the bank, let the teller know you are making a deposit to _____ and give them the following account number for the deposit slip _____.

Also, it is very important that you put your name and address on deposit slip so that we know you've made a payment. If you prefer, you can also contact us and sign up for our automatic worry-free rent draft payment plan, using either your checking or savings account. That way you won't have to worry about getting to the bank or possible late charges. It's easy to set-up and no additional charges to you. Just ask the property manager to help you set this up.

RENTAL AGREEMENT. We have either enclosed a new rental agreement or we will have the property manager stop by to explain the standard rental agreement we use with all residents and give you a copy for your records. You will discover in the agreement that we actually give the resident several options to choose from in the lease so that you can choose the best policies which work best for you.

DEPOSITS. Our office must have a deposit from all residents equal to _____. To avoid misunderstanding later, we also must verify that the amount of security deposit you believe you gave to the former owner/manager when you moved in, so we can confirm it for our records. If we have included a complete questionnaire with this letter, please fill it out as well and return it to us.

PROPERTY MANAGER. The property manager assigned to your property will be contacting you in the near future to answer any questions you may have. We look forward to your cooperation in helping to make this management transition a smooth one.

Testimonial Request Form

Thank you for being one of our 3-Star Residents! We trust that you are satisfied with the property and our management. We would like to ask if you would provide us with at least one positive comment regarding the property or our management.

The reason for our request is because occasionally we are asked by potential residents to provide references. We've found that a short statement from current or prior residents is something future residents really appreciate. This will often also suffice in proving our credibility. In a world where you don't know who to trust, positive comments from current or prior residents like you are helpful to others who personally don't know us yet. As a small token of our appreciation in returning this form to us,

Thank you again for placing your confidence in us with your housing needs, and for any helpful comments you can provide below.

I give permission for _____, to share my comments above with any prospective residents or in any manner the management deems appropriate.

ANY EXCITING CHANGES LATELY?

Dear Valued Resident,

Life doesn't stand still, and your needs may have changed since you first started leasing with us. So, we're here for you. Whether you're starting a new job in another part of town, experienced a change in your finances or payday schedule, need a special amenity added to the property, now need more storage space, or planning to buy a new house, maybe because you're expecting a new baby. Come talk to us. By updating us on the exciting changes in your life, we may be able to better meet your needs. How exactly? Well, here are ways we've helped some of our other rental residents:

Need additional storage space or another special amenity added to the home? For just a small additional monthly payment, ask us if we currently have any additional storage space available that you can use. In fact, if you need any special amenity check to see if we can accommodate you (i.e. grab bars in the bathroom, additional ceiling fan in a room, new appliance, etc.).

Starting a new job?

If your new job means a longer commute way across town, talk to us. We might have an available home or apartment closer to your new work. And if it's a better fit and you're approved for it, we'll even help you move in FREE!

Have your finances changed lately? Would a different payment plan work for you. Some residents have found it easier to budget making smaller payments every two weeks to coincide with their payday instead of the larger monthly rent payments. We do offer payday rent payment plans. You can even set it up to have the payments debited automatically from your checking account every two weeks so you don't have to worry about having to pay any late fees.

Expecting a new baby? Looking to buy a new house? Not sure if you want to commit to another full year, because you may be looking to buy a house in the next 12 months, we offer residents the option of going month to month instead of renewing for another year lease.

Bottom-line: You benefit by keeping us informed of the big changes in your life.

Call us at _____ or stop by the leasing office to let us know what's going on with you!
Thank you for being a valued resident.

We Want to Meet All Your Housing Needs,

Landlord/Rental Property Manager

ELIMINATOR CHECKLIST!

Things We Do NOT Have In Our Rental Homes (and save thousands)

1. **Carpet** — No carpet at all — zero — Refinish the hardwood; ceramic the rest.
2. **Regular battery-operated smoke detectors** — Gone. Home Depot sells a Lithium battery smoke detector guaranteed to last 10 years. Buy it.
3. **Dishwashers** — Don't fix, throw them out. Put in a kitchen cabinet.
4. **Central air** — \$3,000 to replace? No. Residents use window air conditioner units.
5. **Trees, bushes, shrubs** — Take them out. Residents don't take care of them.
6. **Screen door or storm door** — Don't fix, throw it out.
7. **Closet doors, broken, bi-folds** — Replace with nothing.
8. **Fluorescent lights in basement** — Don't fix, eliminate! Use flush-mounted HD lights.
9. **Toilet paper holders, towel racks.**
10. **Windows:** (a) Code mandates one window per room, eliminate all but one window on porches and basements; all gone in sheds, garages. (b) In rehab, eliminate old windows with new, well-made, vinyl double-hung. Old windows don't lock, stay up or pass inspection.
11. **Hose bibs (faucets)** on outside walls of rental home.
12. **Five-gallon flush toilet** — Replace with 1.6 Kohler Wellworth.
13. **Basement** — Eliminate all wires, nails, shelves, appliances, trash, boards, old oil tanks, everything.
14. **Awnings and Roof antennas.**
15. **Built-in microwaves.**
16. **Wooden decks** — If on the first floor, can replace with a cement patio.
17. **Fences:** If there's a vinyl picket fence with missing pickets, or kids pulled them off, or an old wooden picket fence that needs maintenance— get rid of it. The best fence is no fence. If you need a fence, use Cyclone. It lasts a generation.
18. **Oil furnaces** — Replace with natural or propane, as gas has no MR's.
19. **Shower glass doors** — They come off the runners and leak. Use a rod and a full curtain with liner.
20. **Replace 2-handle faucets** — Standardize on 1 lever Moen cartridge faucet from plumbing supply.
21. **Garbage disposals.**
22. **Refrigerator, washer, and dryer** — Resident brings and maintains their own appliances (except the stove). Include these if you rent to students.
23. **Garage walk-in door/windows** — Have roll-up garage door, no windows.
24. **Six-panel door**— If resident breaks a few 6-panel doors, replace door with solid wood door.
25. **Paneling** — Take out or paint white, drywall over bad walls, ceilings.
26. **Land line telephone wires out** — Leave in cable or dish if it works.
27. **Wall paper** — Best to take it off. If layered, install 3/8 drywall over it.
28. **Cabinet knobs.**
29. **Dimmer switches.**
30. **Kitchen sink sprayer**— Buy one hole sink at a plumber's supply store.
31. **Fuses/old small electric panel** — Replace 30 slot Siemens.
32. **Basement commercial tile** — Take up, paint cement floor gray.

Chance to Win Holiday Money!

Good News! Would you like to have a chance to receive some **EXTRA MONEY** for holiday shopping?

This note is our announcement that we will be giving away Cash Money for the **next three months**!

We will select one resident each month who will win a \$25 Cash drawing!

The only thing you have to do in order to be part of the drawing and eligible to win is that we receive your rent **BEFORE** the first of the month. That's all you have to do to have a chance to win! (Please Note: All those on the direct deposit plan are also eligible).

We will then send or post an announcement of the winner during the first week of each of the next three months.

Good luck to you!

The Property Management Team

P.S. Reminder – You can also earn a \$100 bonus if you refer a friend, relative, or co-worker to one of our homes or apartments and they move in. Just make sure that they tell us that **YOU** were the one that told them about our apartments.
